

BWF Wednesday 6 – Sunday 10 September 2017

VOLUNTEER POSITION DESCRIPTION

Job Title:	Staging and Technical Crew
Department:	Production Department
Positions Available:	6
Position Description:	This crew will assist with bump in and out of sets, props and staging across the festival, including venues within State Library QLD, GOMA and a purpose-built performance venue on the Maiwar Green. This is a hands-on role directed by the assigned production manager or Head of Production and volunteers will need to perform some physical/manual tasks. Requirements are mostly for Bump in and out however candidates studying Technical production or with relevant experience will be highly considered for a role working during the festival as show crew.
Experience Required:	Experience working in a theatre, event or festival production environment is preferred. Previous experience as a staging technician/mechanist highly considered. Open drivers license desirable.
Responsible to:	Production Manager / Head of Production
Bump In:	1 – 5 September 2017
Bump Out:	10-11 September 2016
Daily Hours/Shifts:	5 hours per shift, or until the job is done
Required post-festival:	No
